

Car Condo Liability Insurance

INSURE YOUR SPACE, PROTECT YOUR PASSION

We're proud to introduce our exclusive Car Condominium Liability Insurance*—a program designed specifically for privately owned car condominiums. Whether you're an individual owner, a collector, or part of a trust or LLC, this policy offers the peace of mind and protection standard policies often leave out.

HOW IT PROTECTS YOU

- + **\$1,000,000** liability limit
- + **Premiums starting** at \$750 + fees and taxes
- + **General liability** for accidents occurring within your unit
- + **Legal defense** in the event of covered claims
- + **Custom options** available for condos owned by individuals, trusts, corporations, or LLCs

Most standard policies leave gaps that put you at risk. Protect yourself where it matters most—with coverage built for car condominiums.

**Carbon monoxide poisoning, damage to autos, business activity, and coverage for workers (mechanics, employees, hired workers, etc.) are excluded.*

Tailored coverage for every owner, collector, and enthusiast.
